

HYDRAFACIAL

The **HydraFacial MD** treatment is great for all skin types, it is highly effective at improving overall skin health on the face and the body, but it is also an excellent choice for the treatment of:

- Skin Tone, Texture & Brightness
- Acne & Blemishes
- Dry or Dehydrated Skin
- Signs of Aging
- Hyperpigmentation & Sunspots
- Oily & Congested Skin
- Enlarged Pores
- Extractions of Black & White Heads
- Exfoliate Dead Skin
- Elasticity & Firmness

HYDRAFACIAL CUSTOM/ACNE

Detoxify, Hydrate, Rejuvenate and Protect your skin. This treatment is customized to your skin type and concerns and involves deep cleansing and exfoliating, a custom chemical peel, extractions, hydration, the infusion of nutrients and antioxidants, light therapy, and masking.

GREEN PEEL

Green Peel is a medically developed natural peeling method which uses 100% natural active ingredients. The herbal peeling method contains no active chemical substances that irritate the skin. The treatment is used to optimize the skins function internally to help regenerate the skin by increasing iron content and cell renewal resulting in healthy and rejuvenated skin.

GREEN PEEL® ENERGY - level 1 **\$150**

A light peel which can be done once every 2 weeks.

GREEN PEEL® ENERGY - level 2 **\$225**

A medium strength peel which can be done once every 2 weeks.

GREEN PEEL® CLASSIC - level 3 **\$325**

This is a more intensive treatment and has a renewal peeling effect allowing your skin to regenerate. This peel includes a two step process; your initial treatment, a take home kit and a second follow up facial is required 5 days after (this price includes part 1 and 2).

HYDRAFACIAL & DERMAL INFUSION GREEN PEEL

These treatments were designed to combine the use of either our **HydraFacial** or **Dermal Infusion** with the **Green Peel** Level 1, 2, or 3. These treatments are ideal for those individuals seeking the steps of a HydraFacial or Dermal Infusion, while still wanting the treatment of a green peel in the same session
